

EMPLOYER BULLETIN

Fall 2010

Help us help you!

Later this week, on behalf of the Municipal Employees' Pension Commission, MEPP will be mailing a letter to all MEPP members and employers with details of an upcoming survey.

Actually, there will be two surveys, though they only slightly differ, one survey is specifically for employers and the other for members. We request that representatives from each participating employer – ideally at the Board or Council level – complete and submit the employer survey. There is opportunity to complete the survey in print or online at http://www.peba.gov.sk.ca/MEPP/mepp_emp_info.htm. Your password to complete the survey online is in the letter we are sending you later this week.

The surveys will be sent to employers and members with the *MEPP Matters* newsletter in mid November. The date for members to return the survey is December 10. To enable the Board/Council input, the deadline for submission of employer surveys is December 17.

The purpose of the surveys is to find out how the Plan is meeting member/employer needs or if changes are needed in the coming years.

Online registration for workshops

In early 2011 we will be upgrading our online registration process for Public Employee Benefits Agency (PEBA) workshops. This means that it is more convenient and easier for you to arrange a presentation or workshop for your employees, or for your employees to register for a PEBA hosted workshop.

Setting up a presentation or workshop for your employees will be as simple as contacting one of our Retirement Information Consultants (RICs)(RIC@peba.gov.sk.ca) and providing them with details on the event you wish to arrange. That's it; the rest of the administration process is handled by us!

If you don't feel you would have sufficient numbers for a workshop, you can direct your employees to our website to attend a PEBA hosted workshop. Another alternative would be to work with a few employers in your area to arrange a joint session. Either way, your employees would be able to register online and attend the session of their choice.

PEBA offers a variety of workshops across the province. If you would like additional information on any of these, contact one of our RICs today!

Ready, Set, MEPP - provides general information about MEPP and its features to assist Plan members in setting their retirement goals.

RetireWithEase - helps Plan members make informed retirement decisions.

The Employer Bulletin is published as a service for the employers of MEPP.
