

New Look!

MEPP has had a visual facelift. The familiar wordmark is still the base, but the font has a stronger feel to it, and the slanted 'e' pays tribute to our main audiences – employees and employers. The colours are more modern and dynamic and the tree concept is now shown as very stylized swooshes over the top right side. We are proud to say it was one of our very own communication consultants, Donna Bodnar, who came up with the idea and design. Our image will now be updated with the new logo and colour scheme.
