Coming Soon: *Investment Basics* Presentation

We are introducing a new presentation for members called *Investment Basics*. It builds on information offered in the 2007 *Investment Choice* presentations. *Investment Basics* is a one-hour presentation that explores the basics of investing with the Public Employees Pension Plan (PEPP). It also outlines a few investment terms and phrases that members may encounter while investing with PEPP.

Presentations will begin this fall. Watch for more details in upcoming Employer Bulletins.
