

# Long Term Disability Income Benefits Employee Statement Guide

Please follow the steps in this guide to apply for disability benefits.

This guide explains how to apply for Long Term Disability benefits. It contains the forms you must complete to notify Canada Life of your claim, and explains what will happen after you have submitted that notice. Completion of these forms does not automatically entitle you to benefits.

If you have any questions about your claim, a representative in your Disability Management Services Office will be happy to answer them.

#### STEP ONE - EMPLOYEE STATEMENT AND CONSENT FORM

The completed employee statement provides us with general information about you and your medical details and provides Canada Life with notice of your disability claim.

A consent form is included with your employee statement. Your signature on the consent form is necessary as it gives us permission to obtain additional information from your employer, other insurers, your doctor, hospitals, or other care providers to help us review your claim.

We may share personal information, like your functional abilities, restrictions or limitations with your employer when discussing your return to work. We may share medical information, like your diagnosis, test results, or medical reports with your plan administrator PEBA, union, or Occupational Health Services for the purpose outlined in the consent form.

#### STEP TWO - ATTENDING PHYSICIAN STATEMENT FORM

Ask your doctor to complete the attending physician statement form that is most appropriate to your claimed condition. If you have undergone any tests or seen any specialists, please ensure that your physician includes copies of the results and/or the reports.

#### **EMPLOYER STATEMENT**

Your employer will send an employer statement to Canada Life on your behalf. This statement confirms your coverage, job information, monthly earnings and other information necessary to assess and administer your disability claim.

#### **OUR RESPONSIBILITY**

We will begin our review of your disability claim when we receive your employee statement, consent, and attending physician statement via your plan administrator PEBA. At that time, a Canada Life representative will contact you to let you know what you can expect throughout the claim process and to obtain any further information that may be required.

#### Long Term Disability Income Benefits Employee Statement

To begin the claim submission process, you must complete the Employee Statement and the consent form. Please have your doctor complete a physician's statement. These forms should be submitted no later than eight weeks before the end of the waiting period.

Benefits may be denied if these forms are submitted later than the notice period in your group contract.

#### INCOME DECLARATION AND REIMBURSEMENT AGREEMENT

#### I understand that:

- I am required to apply for disability benefits that I or another member of my family might become entitled to receive because of my disability, and that I may be asked by Canada Life to reapply or appeal decisions refusing my application(s) where considered appropriate.
- during the time it takes for my application for these other disability benefits to be accepted, or my entitlement to any other reportable income to be reviewed, Canada Life will continue paying me amounts equivalent to the disability benefit payments I am eligible to receive under the Group Plan, provided I continue to be eligible for these disability benefit payments under the Group Plan (the "Advance"). The terms "other disability benefits" and "other reportable income" refer to any of the types of disability benefits and other income mentioned under the Offset, All Source Maximum, Coordination of Benefits and Subrogation and Right of Recovery provisions under the Group Plan, as well as any other amounts, including damages for loss of income, that I may receive or become entitled to receive as a result of my disability.
- if I am entitled to receive disability benefits or any other reportable income, this may result in an overpayment ("Overpayment") that I will be required to pay back to Canada Life. I specifically give up my rights under any law that qualifies the Advance, the Overpayment, the other disability benefits, or any other reportable income, as property exempt from seizure.
- Canada Life may reduce my disability benefit payments by the amount of other disability benefits or other reportable income that I receive or become entitled to.

#### I agree to:

- notify Canada Life within 15 days of receipt of other disability benefit payments or any other reportable income.
- repay Canada Life within the time frame Canada Life advises me of after I am notified of the Overpayment amount or within a longer period if Canada Life agrees in writing. I understand that if the Overpayment is not repaid when due, Canada Life may take all necessary steps to recover the Overpayment, including withholding the payment of, or recovering the Overpayment from, any benefits payable under the Group Plan.
